Recommendation Letter

I am pleased to write this letter of recommendation for **Sabin Huda**. I know her as a student of MPhil Program, Department of Management Information Systems, University of Dhaka, Bangladesh. I have been her MPhil supervisor which has put me in a position to evaluate her potential.

During our association she has impressed me with her ability. I went through all her educational transcripts; starting from High School up to MPhil level and am really impressed by her overall performance as she has secured excellent CGPA throughout and has also shown exceptional ability to conduct thesis work not only previously, but also in her current program.

She possesses excellent command over English, considering all aspects of the language. She is capable of expressing her ideas clearly which have been demonstrated in the way she expressed her views to me. She has a friendly and pleasant disposition making her easily approachable and easy to communicate.

Throughout the MPhil program, I have found her sincere, hardworking, creative and promising.

I wish her good luck in all her future endeavors.
