This transcript shows the grade for each course and a cumulative result for all courses for which the student had enrolled in UIU.

Credits accepted as transfer/ waiver are counted towards degree only but not for CGPA Calculation.

Courses followed by *(asterisk) are extra courses and are not included in CGPA Calculation.

Term Grade Point Average (GPA) is the weighted average grade of a Trimester while Cumulative Grade Point Average (CGPA) is the weighted average of the grade points obtained in all the courses completed by the student. The Term GPA and CGPA are calculated as follows:

$$\text{Term GPA} = \frac{\sum_{i=1}^{n} C_i G_i}{\sum_{i=1}^{n} C_i}$$

$$\text{CGPA} = \frac{\sum_{i=1}^{N} C_i G_i}{\sum_{i=1}^{N} C_i}$$

C_i stands for credits of the ith course.
G_i stands for grade points earned in the ith course.
n stands for the number of courses taken in the Trimester.
N stands for the number of courses taken up to the last Trimester.

A student obtaining "F" grade in any course will have to repeat the course. A Student desiring to improve his/her grade(s) may also retake course(s). In case of a retaken course, only the better grade is counted in the CGPA calculation. In such cases the transcript shows only the better grade.
